

student Spotlight

I recently caught up with freshman Chris Kendall and asked him a few questions.

What is different in high school when compared to the middle school?

Well, the high school's classes have been more challenging and fun. I definitely prefer being in high school.

Do you play sports?

No, but I used to play Baseball and Basketball.

How do the upperclassmen treat freshman?

Well, I don't see many people outside of my class, but when I do see upperclassmen, they are normally polite.

What is your favorite part of high school lunch?

Probably sitting around talking with my friends; just doing fun things.
